Directions: Complete each of the following project for Chapter 1: The First Civilizations. You must complete Tic Tac Toe. You must start in the middle.

Tic	Tac	Toe
1. Draw 5 pictures to list the achievements of the Mesopotamian civilization in chronological order.	2. Create an illustration of a city-state. Label the 6 most important things every city-state has. Use the entire sheet of paper for the illustration.	3. Arrange 12 vocabulary words into three similar categories. Write a rule for the category to explain why vocabulary words fit into it.
4. Write a 2-panel travel brochure showing and describing the area of Mesopotamia. Use color, words, and pictures to create. (your project will be 4 pages total)	5. Define 18 vocabulary words and/or people from Chapter 1: The First Civilizations. Write in list form.	6. Imagine you are a nomad who travels from place to place to hunt and gather food. What things would you carry with you to help you survive? Make a list of at least 8 items. Tell why each item is important.
7. Imagine that you are living in a city-state in ancient Sumer. Write a two-paragraph <u>letter</u> to a friend describing which Mesopotamian invention you believe to be the most important to humanity. Explain the product and its uses.	8. Create a dialogue between Sargon and Hammurabi. Discuss what an empire should be like. <u>Each person must speak at least 8 times.</u> Be careful NOT to use short phrases. Have a "real" discussion.	9. Suppose you are a merchant in Catal Huyuk. A new group of people want to trade with you and other merchants in the city. Decide if this is a good idea or not. Prepare a 3 paragraph speech to support your point of view and convince others.
